RETAIL PRICE LIST

SPRING AND FALL 1960

Field grown plants dug fresh to order.

We make no guarantee on any plants other than that they are true to name, and of size claimed, and in no case will we be responsible except for the purchase price of the plant.

Prices quoted are net, cash, for plants, at the nursery. We deliver free of charge on orders of \$50.00 or more.

NEW AUGUSTA NURSERY IS LOCATED AT 5195 WEST 59TH STREET. Drive west on Kessler Boulevard, continuing west on 56th Street at Broadmoor Golf Course, to Moller Road (2nd road west of Big 4 R.R.). Turn north (right) to 59th Street (1st road) and go east (right) to nursery.

For the convenience of those clients who have limited time outside business hours, we keep the nursery open all day on Saturdays, and on Sundays from 10:00 to 4:00 P.M. from September 1 to November 15 and from April 1 to June 15.

ROSES. Potted Hybrid Teas, polyanthas, climbers, etc., available in best varieties about May 10. Call or write for list.

SPECIALTIES. In addition to the regular lists, we are trying to make available to a discriminating clientele, a number of the scarcer varieties and grades of shrubs and evergreens. At this time, we have over forty varieties of flowering crabs and a complete line of good finished nursery stock. Plants may be selected and marked ahead of planting season at no extra cost.

This list cancels all previous prices.

We are members of the:

INDIANAPOLIS LANDSCAPE ASSOCIATION
INDIANA ASSOCIATION OF NURSERYMEN
AMERICAN ASSOCIATION OF NURSERYMEN

We invite your inspection of our nursery. Our shrubs are planted far enough apart in rows so that they can grow into a shrub before you get them. Heavy, full topped plants, fresh dug to order. There is no comparison between these plants and the dried out dormant plants from storage. In excellent assortment for local climate and conditions. All plants bare root unless noted B&B.
